Providing a full range of environmental sanitation & disease prevention health programs

# Pomperaug Health District Flu Vaccination Clinics 2019-20

The Pomperaug Health District offers the most protective flu vaccines currently on the market. Vaccines are administered by experienced, licensed nurses.

## Available Vaccines

### **Quadrivalent flu vaccine \$30**

For persons 6 months and older • the “regular” flu shot

### **FluMist Vaccine \$30**

For persons 2 - 49 years • the nasal spray vaccine

### **Flublok vaccine \$65**

For persons 18 years and older

### **High-Dose vaccine \$65**

For persons 65 years and older

Studies have shown that the high-dose flu vaccine is safe and more effective for seniors than the regular flu shot

---
