

AUTHOR/ILLUSTRATOR PROGRAM  
Sarah Albee

Dear Parents,

February 12, 2018

Long Meadow Elementary School is pleased to welcome author Sarah Albee. We want to extend a special thank you to the PTO for providing the funding for this exciting enrichment program.

On **Monday, March 26th**, Ms. Albee will visit and discuss her career and books with all of our students in Grades Pre-K through 5. Sarah lives in Connecticut and she writes primarily nonfiction books. According to her website, she particularly enjoys writing about “topics where history and science connect.” Ms. Albee’s presentations “focus on craft, research techniques, and revision, along with fun facts and true stories designed to spark kids’ interest in history.”

We are offering a selection of Ms. Albee’s books at a discounted price in conjunction with this visit. The books will be available in paperback. On the day of her visit, Sarah Albee will personally autograph the books. These books would make a great personalized gift!

Students will learn more about these books during their regular library classes. You may find more information about Sarah Albee by visiting her website at [www.sarahalbeebooks.com](http://www.sarahalbeebooks.com).

If you wish to order books, please have your child return the order form on the reverse side with payment on or before **Wednesday, February 28th**.

If you have any questions, please free to contact me.

Sincerely,

Christina O’Neill, Library Media Specialist
